

6362MetaForce: Leather and Suede Wholesale Guide & Order Sheet

Thank you for your interest in our leather and suede products!

6362MetaForce offers only 100% leather and suede bags and belts. Our materials are carefully selected from fair-trade vendors, and all products are fabricated in our own facility, where we observe international fair labor laws and working conditions. We use minimal chemical processes in the dyeing and processing of our leather and suede products.

6362MetaForce ensures that all colors and grains of leather and suede are consistent, and we offer several different textures of material – from a rich, smooth leather finish to a natural, earthy suede. All are extremely high in quality, and very durable. Please note, however, that there will be some variability in color and grain among items due to the natural properties of organic leather.

Sizing of our belt bags is to **hip measurement** (not waist), and conforms to the following scale:

Small (S)	29–34 inches
Medium (M)	34–39 inches
Large (L)	39–43 inches
Extra Large (XL)	43–48 inches

More info about our products can be found in the **"FAQ Leather"** section of our website: www.6362MetaForce.net
